Sir,-

S. . ¼ of Sec. 20 Tp. 60 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Ottawa, Sept, 18th. 1912.

Reference 53526.

Sir,

Replying to your letter of the 14th. ultimo, I am to say that application for entry must be made in person to local Agency or Sub-Agency of the District within which selected land is situated.

Preemption entry is only granted a person holding an adjoining quarter section as a homestead. It therefore appears that you are not in a position to make entry for the North-west quarter of Section 35- Township 29- Range 22- West of 4th Meridian as a preemption, but you may be eligible to do so as a purchased homestead. You should communicate with the local Agent of Dominion Lands at Calgary who will further advise you in this connection.

Your obedient servant,

Assistant Secretary.

Lands in Jewtview and Slade
Lerses.

When the Soldier Settlement Board commenced operations in 1919 under the Soldier Settlement Act an Order-in-Council was passed (30th October, 1919) authorizing the setting apart of any certain, village or Dominion Lands which might become available for the purposes of the Board.

Among the lands placed at the disposal of the Board under the terms of this Order-in-Council were certain tracts, withdrawn from the Jewtview Ranch and Slade lease in connection with which the Board paid certain moneys to the lessees to obtain the relinquishment of their rights so that the lands might be made available immediately for soldier settlement.

H.E.M.

The Department of the Interior has resumed the control and administration of the lands placed at the disposal of the Board which have not been taken up by soldiers but it was been decided that the Board has a right to retain control of the lands withdrawn from the two leases mentioned, in view of the fact that they had to buy out the lessees.

Attached hereto is a copy of an Order-in-Council dated the 11th instant transferring to the Board certain lands described in a schedule attached to the Order-in-Council.

Grouard [illegible] 1912

Sir,

I beg [illegible] for the N.E.¼ of section 25 in [illegible], Range [illegible] of the 5th M., as a Free Grant for the Lesser Slave Lake Agricultural Society. This land is at present available.

We are a society without grounds. We desire to have exhibitions to encourage farming in our district, and we feel that the Government should assist us in this matter. Most of the members are old-timers who have resided for many years and have borne the hardships in assisting in the development of the country.

Should you decide not to give this land as a grant would you kindly allow us to buy it. Though we are poor now we hope in time we may be able to raise the money to pay for it in instalments.

Yours truly

Replying to your letter of the 18th ultimo, I regret that if you enlist for active service in defence of the Empire in the present European War, your entry for the above land will not be liable to cancellation during the time you are on active service, and further, the time so spent will count to your advantage as residence, that is, if you are absent three years and arrange with someone in the meantime to do the necessary cultivation, you can obtain patent at the end of three years. That is provided you made entry previous to date of enlistment.

I am in receipt of your letter of the 5th instant, requesting to be advised of the present standing of the above described land, and if it is likely to be used again for farming purposes.

The quarter section referred to is located outside of the area reserved for settlement. It contains an area of 160 acres.

At present this is vacant Crown land. This land is only available for applications under the Grazing Lease or Grazing Permit Regulations. It is not likely that the land will be used for any other purposes, except as grazing land.

Re: Account of Samuel Krause
S.E. 15-13-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 fodder and relief amounting to $128.15 were advanced to Samuel Krause on the security of the above mentioned land. Payments of $75.00 and $35.00 were received in 1915 and 1916, respectively and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 20.35	$ 36.63	$ 56.98

The S.E. 15-13-3-W4 was formerly the homestead entry of Samuel Krause on which security he obtained advances of fodder and relief in 1915. His entry was cancelled on the 17th of August 1915.

The land was later re-entered upon by Mr. W.C. Sample who made payments of $75.00 and $35.00 towards the improvements and which were transferred to indebtedness of the former entrant. Patent was issued in the name of W.C. Sample for the S.E. 15-13-3-W4 on the 29th of April 1918 and there is no record of the liens having been registered against the land.

As the liens were never registered against the land and there is no further security for our advances, it is recommended that the balance of the indebtedness be cancelled.

Sir,-

[illegible] Sec. [illegible] Tp. [illegible] Rge. 7 West [illegible] Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers who had obtained patent, or who may become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land on which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to commute the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.
